NeXtime brings you good times

NeXtime is an innovative, bold and playful Dutch design brand specialising in timepieces. With a history of over 50 years, our strong knowledge in materials, manufacturing techniques and lifestyle trends enables us to create timepieces that jazz up all interior spaces.

NeXtime embodies the outstanding characteristics of Dutch design. Our products could be minimalistic, sophisticated, classy, sometimes playful, and sometimes all at the same time. We dare to be different, we attend to detail, and we offer customers the best integration of design excellence and functionality.

Up to this very day, NeXtime still adheres to the brand's core values of being passionate, creative, fun, caring, uncompromising on quality and committed to upholding its heritage. We cherish what we achieve together with our business partners and believe in sharing good times and respecting one another.

Under the premium NeXtime brand and value-for-money nXt brand, NeXtime's extensive collections feature the best combination of quality, style and value to fit every interior, including yours.

Dear NeXtime Friends,

In 2023, NeXtime continues to offer a variety of styles, materials and sizes to suit different customers' tastes and needs.

Our latest collection includes a special theme of Peace & Calm clocks. After the pandemic, people pay more attention to their well-being and spiritual life. The clock series of modern and stylish designs features symbolic images, patterns and colours that exude harmony and a blissful feeling.

This year, we have launched a great number of large-size clocks for those who want their time-telling devices to be prominent display items on the wall. We have also enlarged our selection of dome-lens clocks and table clocks.

Great products, Better support for our partners, and Better brand marketing remain the critical pillars we will focus on.

We look forward to working more closely with our global partners and creating more good times for our customers.

Special Features

Our clocks are made with love and passion and highlight design or a special feature. Below you find the most important features.

Silent movement

No more annoying ticking sound? Then go for a clock with a silent movement and make sure you can enjoy time in a relaxed way

Radio controlled

The clock will be set automatically because of the Radio Controlled signal from Frankfurt. You don't have to worry about summer or wintertime, the clock will set itself to the correct time and make sure you always have the exact time. The radio controlled signal is sent out from Frankfurt and only works for the time zone GMT+1 (CET)

Weatherproof

These clocks are suitable for both indoor and outdoor use. Ideal for patio, bathroom or pool.

Glow in the Dark

The Blue Moon Dome and the Milky Way Dome have a dome shaped glass and feature glow-in-the-dark technology. The clock charges in daylight and when it's dark it shows a mesmerising image. The clocks are silent and therefore also fit perfectly in any bedroom.

The Clock Tower

We offer a great way to showcase our clocks and store stocks at the same time. The wooden clock tower has been a proven success to increase sales in stores in various markets. It is freestanding and can be placed anywhere in the store to make clock selection convenient to customers. Clear and nice presentation drives clock sales. The clock tower offers a solution that doesn't require drilling holes on your walls.

It is the most efficient way to show so many clocks when you only have limited space in your store.
