Collection 2024

Dear NeXtime Friends,

As a driving force behind NeXtime, I couldn't be more excited to share our 2024 Clock Collection with you. Every year we strive to bring you products that aren't just functional, but also enhance the beauty and comfort of your home. This year is no different. From our tech-friendly digital clocks to the expansion of our beloved Vasco designer clock series, we're always thinking of how to make your space more YOU.

The new collection is a nice spread of new concepts and adoptions of existing successful models. Our goal is mainly focussed on more luxurious experience for the customers when they receive the clock.

We hope that we can make 2024 a success with all of our hard work, creativity. This new collection and our shared love for clocks, together with you as our partner.

See you NeXtime

ECO nXt

In an era where time and sustainability are of utmost importance, the arrival of bio-based degradable clocks is a welcome innovation. Not just tools to mark time, these eco-friendly timepieces are a symbol of a greener, more conscious lifestyle. Remarkably, they are up to 75% more sustainable and eco-friendly compared to traditional clocks, setting a new standard for responsible consumerism.
