Special Features

Our clocks are made with love and passion and highlight design or a special feature. Below you find the most important features.

Silent movement

No more annoying ticking sound? Then go for a clock with a silent movement and make sure you can enjoy time in a relaxed way

Radio controlled

The clock will be set automatically because of the Radio Controlled signal from Frankfurt. You don't have to worry about summer or winter time, the clock will always set itself to the correct time with the radio controlled signals from Frankfurt, which means it is for the time zone GMT+1(CET)

Weatherproof

These clocks are suitable for both indoor and outdoor use. Ideal for patio, bathroom or pool.

Table and wall clock

Clocks made with separable stands or small stands that can be hidden behind clocks to give the convenience and extra option of using them for the table or the wall
