

AUTUMN WINTER 24/25

COLLECTION PRESENTATION

AUTUMN WINTER 24/25

BOLD & BEAUTIFUL

As the Autumn Winter season approaches, we are thrilled to unveil our new collections with bold curves & edges, inspired by the beautiful shapes found in nature and the bold forms crafted by human creativity.

"I found an inspiring interest in combining the contrast of beautiful organic shapes of nature and bold industrial design elements.

I decided to bring these elements into my sparkling universe and put my spin on it. By playing with the contrast between smooth polished surfaces and zirconia-covered exteriors, this collection offers endless styling possibilities.

These pieces are a balance between edges and curves, each with a bold twist. They provide you with the opportunity to make a statement, stay on trend, and truly let yourself shine."

JEWELLERY
COPENHAGEN

LET YOURSELF SHINE

The collection introduces brand new designs alongside exciting additions and extensions to some of our all-time favourite collections. With a price point that appeals to a wide audience, whether you want to make a statement or prefer something more subtle, there's something for everyone.

GOCCIA

Goccia

Named after the Italian word for "drop," the "Goccia" collection is inspired by the delicate forms of water droplets and the enchanting shift between seasons.

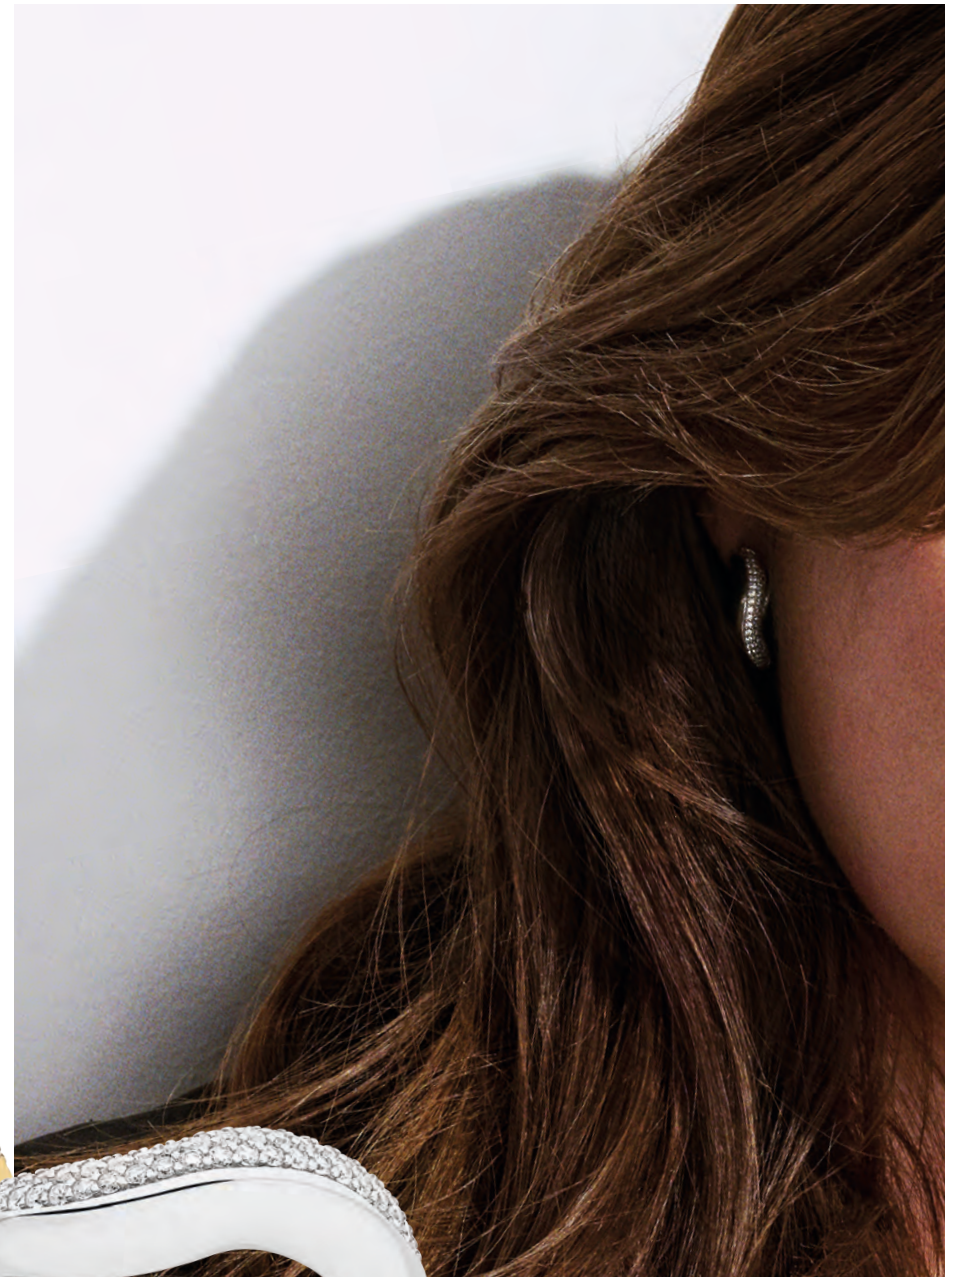

GLORENZA

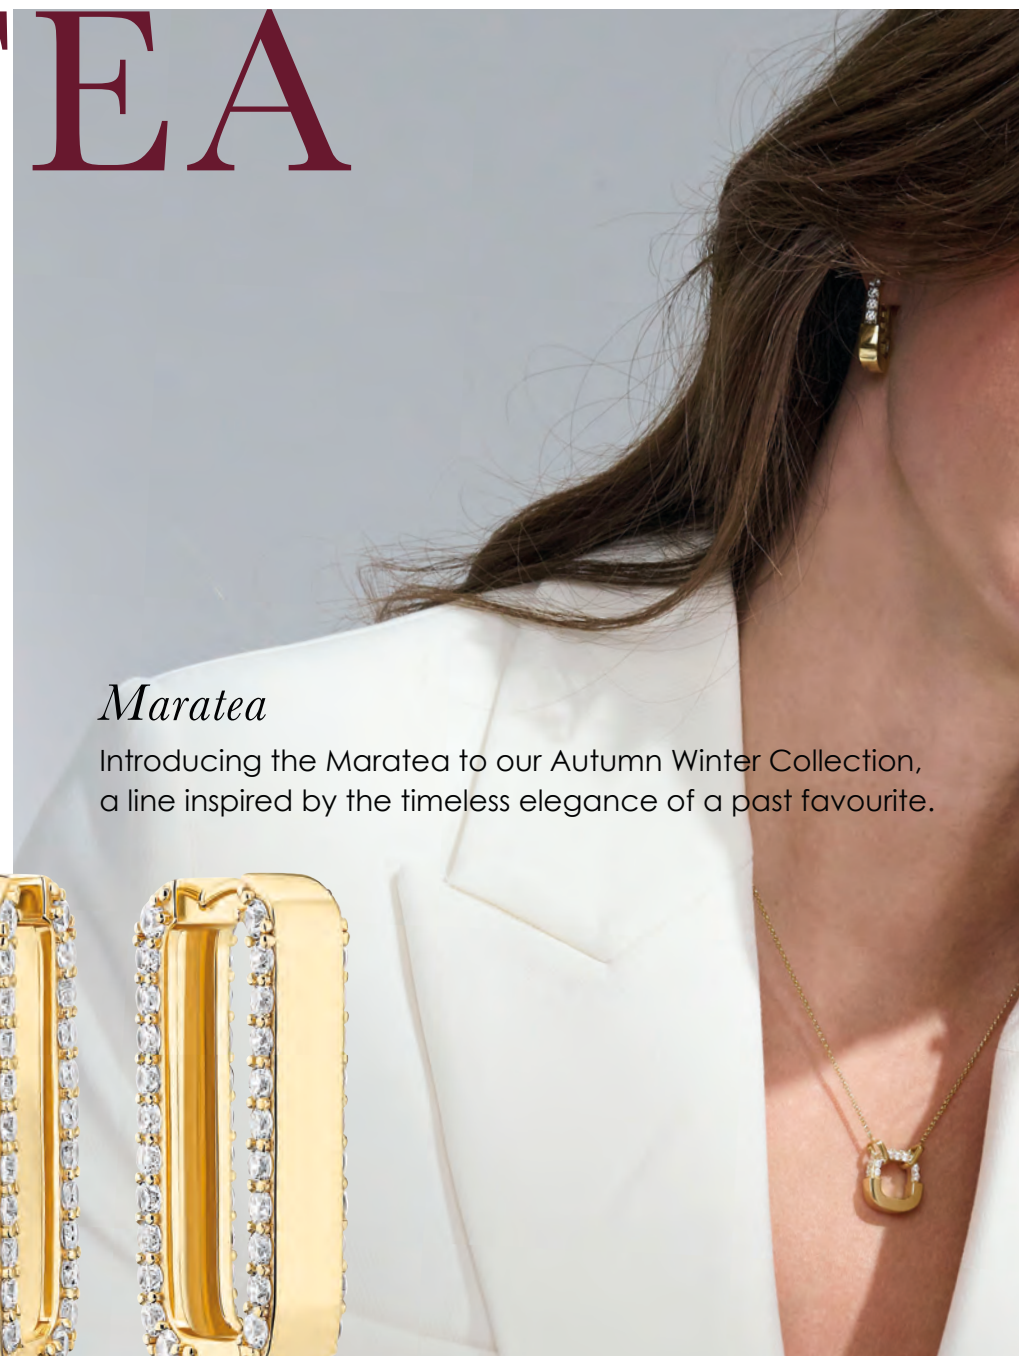

A woman with long, wavy brown hair and light-colored eyes is looking directly at the camera. She is wearing a black sleeveless top. Her jewelry includes a diamond ring on her right ring finger, a matching ring on her left ring finger, a chain necklace with a circular pendant, and a small earring. She is resting her chin on her right hand.

Glorenza

Drawing inspiration from the elegant transformation of water droplets into flowing, wavy streams.

MARATEA

Maratea

Introducing the Maratea to our Autumn Winter Collection, a line inspired by the timeless elegance of a past favourite.

We've reimagined the iconic shape, transforming it into a fresh, dynamic expression of style and sophistication. The square designs of the Maratea exude an edgy allure, infusing every step with confidence.

CARRARA

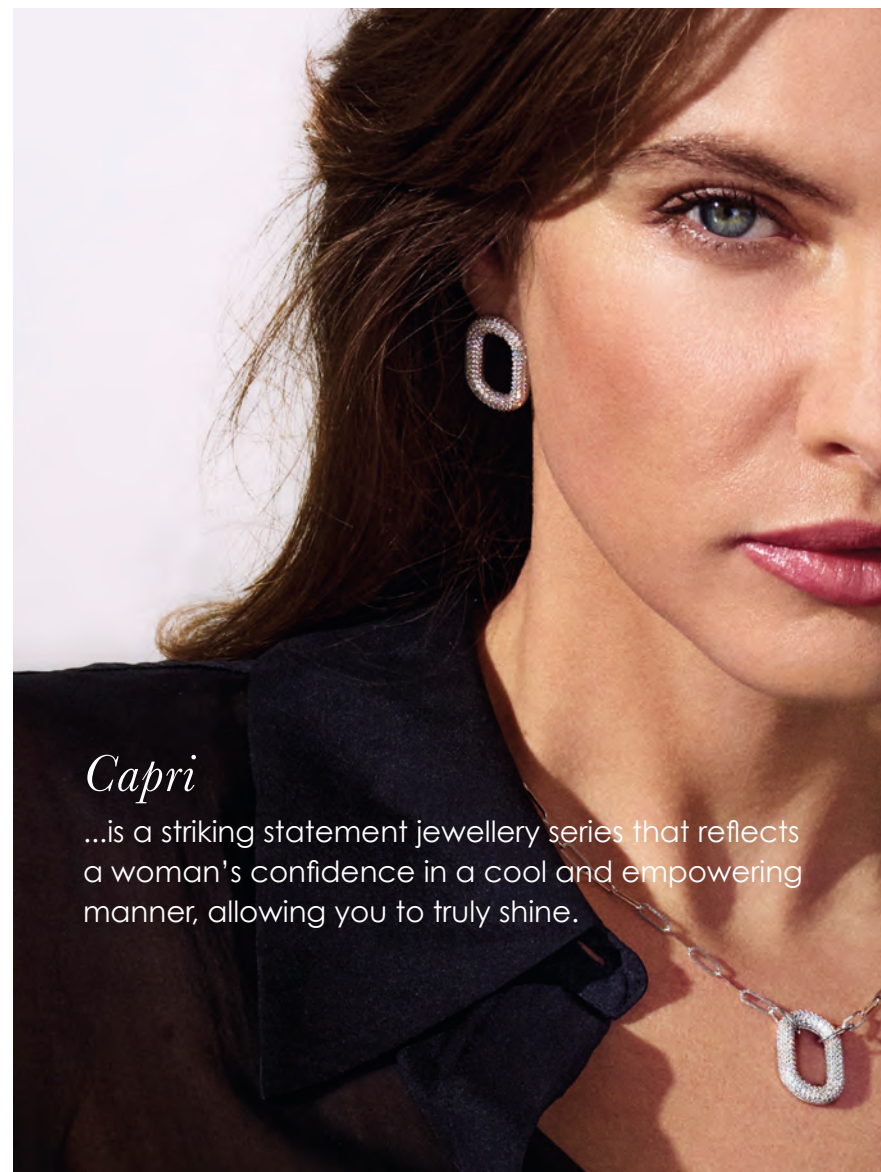

Carrara

Carrara captures the essence of bold design with its round profile circles, each piece showcasing sparkling pavé settings and high-polished surfaces that create an eye-catching yet elegant statement.

CAPRI

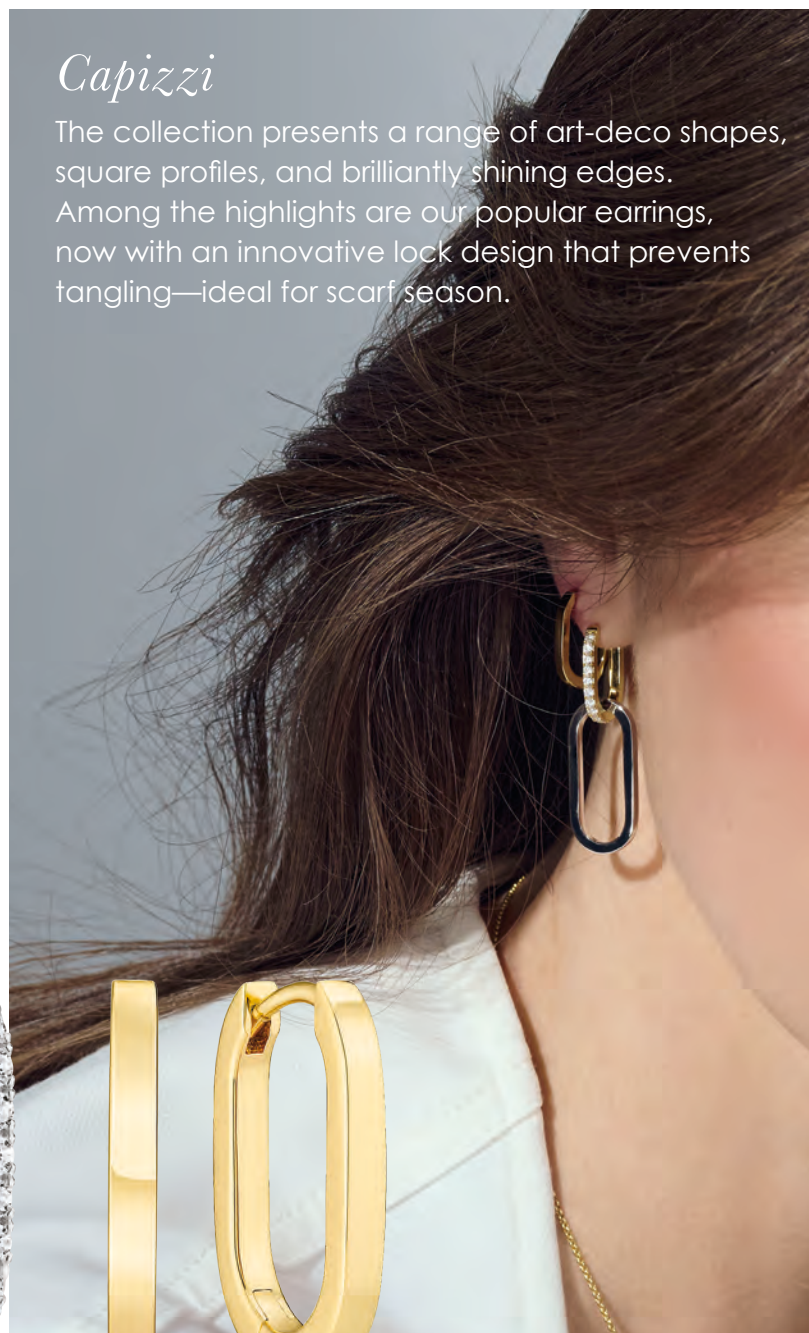

CAPIZZI

Capizzi

The collection presents a range of art-deco shapes, square profiles, and brilliantly shining edges. Among the highlights are our popular earrings, now with an innovative lock design that prevents tangling—ideal for scarf season.

WATCHES

*Santina Watch
now with extra sparkle!*

with sapphire glass and pave white zirconia dial.

*Domenica Watch
now in burgundy*

These burgundy beauties feature chronograph functions, adding sophistication to wristwear. This collection embodies individuality, style, and elegance for the upcoming seasons.

ELLERA WAVES

Ellera Waves

The collection extends the popular Ellera line and is inspired by flowing rivers and nature's rhythm. The zirconia-adorned styles reflect light like a shimmering stream, celebrating the harmony of natural forms and modern elegance, perfect for a timeless and contemporary style.

ELLERA OVALE

Ellera Ovale

Extending the highly sought-after Ellera Ovale line, this collection features stunning oval-shaped cubic zirconia inspired by flowing streams, with each piece exhibiting a delicate, wavy movement.

CHARM LOCK

Charm Locks and Necklaces

The new Charm Lock collection celebrates the freedom to be playful, allowing you to create unique jewellery combinations that enhance your everyday style and personalize each piece.

The Charm Lock Necklace piece includes a 45 cm adjustable anchor chain and a Charm Lock, enabling you to attach any charm from our collection to make it uniquely yours.

We also offer Charm Locks separately, allowing you to add multiple charms to any compatible chain, bracelet, or hoop earring, providing endless possibilities to showcase your personality.
